**5. REVIEW, DISCUSSION, AND ACTION ON INVESTIGATIVE HEARINGS PURSUANT TO A.R.S. § 32-1855 (E).**

**A. DO-22-0137A, James Tooley, DO**

Dr. Tooley participated in the virtual meeting during the Board’s consideration of this matter. Dr. Tooley was not represented by legal counsel. Dr. Tooley provided a summary of his education and current work experience.

Board staff provided a summary of the case.

This case was a malpractice complaint that alleged Dr. Tooley failed to notify a patient about critical lab values which resulted in her death. Dr. Tooley’s office was notified of these lab values via telephone where a medical assistant took the message as well as a fax that was sent with the lab values.

Dr. Tooley stated he was not called by the Emergency Department while she was there and the patient did not follow up with him as instructed to do so by the Emergency Department. Dr. Tooley stated this was the first time in over 30 years that he was not called directly for critical lab values. Dr. Tooley stated he gets hundreds of faxes a day and that is why he didn’t see the fax that was sent with the critical lab values. Dr. Tooley stated when he saw the patient previously physical exams were performed but sometimes they aren’t documented.

**B. DO-19-0252A, Cesar Rodarte, DO**

Dr. Rodarte participated in the virtual meeting during the Board’s consideration of this matter. Dr. Rodarte was represented by legal counsel, Flynn Carey. Dr. Rodarte provided a summary of his education and current work experience.

Board staff provided a summary of the case. The complainant is the Clinical Director of a Behavioral Health Clinic. The complainant states that the patient, KM, came to their facility for treatment. The patient overdosed on Xanax which was prescribed by Dr. Rodarte. The complainant felt that Dr. Rodarte did not fully investigate prior to prescribing to this patient. Board staff conducted a chart review for 10 charts and found inconsistencies when it came to documentation, physical exams, and urinary drug screens.

Mr. Carey stated that on the CSPMP, if a patient is being prescribed Methadone at a treatment facility, it will not be indicated on the report. He also stated that the treatment facility should have been in contact with Dr. Rodarte once they found out he was prescribing medication to this patient. Mr. Carey also stated that Dr. Rodarte has taken 44 hours of Continuing Medical Education about record keeping and prescribing.

Dr. Rodarte advised the Board that patient KM did not give him or his staff any indication that he was on Methadone or that he had an alcohol or drug addiction. The Board advised Dr. Rodarte that he missed manipulation and diversion by the patient and he shouldn’t have been prescribing this type of medication to the patient.

**MOTION: President Erbstoesser motioned for the Board to move to Executive Session for legal advice pursuant to A.R.S. § 38-431.03(A)(3).**

**C. DO-22-0074A, Donald Fruchtman, DO**

Dr. Fruchtman participated in the virtual meeting during the Board’s consideration of this matter. Dr. Fruchtman was not represented by legal counsel. Dr. Fruchtman provided a summary of his education and current work experience.

Board staff provided a summary of the case.

The Pharmacy Board notified the Board that Dr. Fruchtman failed to query the CSPMP from February 2022 to April 2022.

Dr. Fruchtman stated that at the office they have a designated person to query the CSPMP. The medical assistant who was assigned to this was new and did not know how to do the printouts. Dr. Fruchtman stated that they did write a lot of prescriptions to make sure his patients were taken care of but he did refer many of them to a pain management doctor but that it’s difficult to see a pain management doctor.

Dr. Fruchtman advised the Board that he has retired but would like to maintain his Arizona license due to possible volunteer opportunities, Osteopathic manipulation, and being able to participate in other opportunities but he will not be prescribing controlled substances.

Upon hearing the summary of the case and reviewing all materials provided, the Board made a motion to issue an Order for permanent Practice Restriction, restricting the prescribing of controlled substances by the respondent.

**MOTION: Vice President Maitem motioned for the Board to issue an Order for a permanent Practice Restriction that restricts the prescribing of controlled substances by the Respondent.**

D. DO-22-0057A, Donald Fruchtman, DO

Dr. Fruchtman participated in the virtual meeting during the Board’s consideration of this matter. Dr. Fruchtman was not represented by legal counsel.

Board staff provided a summary of the case.

The complainant is the father and legal guardian of patient LR. The complainant alleges that Dr. Fruchtman was warned by several pharmacies about dangerous prescribing for this patient but continued to prescribe several different drugs. There was no controlled substance agreement or urine drug screens.

Dr. Fruchtman apologized that Board staff did not get all the medical records regarding this patient due to being switched to a new computer system. Dr. Fruchtman stated the appropriate tests were done before being prescribed documentation. Dr. Fruchtman stated the patient did not tell him that she was a heavy drinker or chronic alcoholic. Dr. Fruchtman did admit to prescribing her medications but the patient did follow up with Dr. Fruchtman on a regular basis. Dr. Fruchtman stated that his office advised the patient not to drink and take these medications.

Upon hearing the summary of the case and reviewing all materials provided, the Board made a motion to issue an Order for an Administrative Warning.

**MOTION: Vice President Maitem motioned to issue an Order for an Administrative Warning.**

**SECOND: Dr. Ota**

**VOTE: 6-aye, 0-nay, 0-abstain, 0-recuse, 1-absent.**
