### New Statute: Arizona to Recognize Licenses from Other State

Governor Douglas Ducey signed HB 2569 into law on April 10, 2019. It should be noted that the law does not become effective until 90 days after the legislative session ends. Until the law becomes effective, there is no process to apply for licensure under HB2569.

The Board has the following paths to licensure already created: Licensure by Examination, Licensure by the Interstate Compact.

For more information on the application process and how to obtain a license in Arizona please review the Board's webpage on Applications found at <http://azdo.gov/ForDOs/Applications.aspx>
